

ClickOn Climate

Transnational Partner Meeting in CPH.

7.th – 8.th December 2021

The most important aims of this Meeting are:

- Establish common ground by getting to know each other and share status of the project results and plans
- Ensuring that all partners know exactly what is expected from them and are familiar with all project documents, procedures and economical implications
- Plan concrete dissemination activities including dissemination of IO1
- Plan involvement of teachers and local action plans at all partner institutions
- Start up planning IO2 and IO3 together
- Visit TEC department of transportation and Logistics and share inspiration and ideas about sustainability teaching and innovation
